

THE LABORATORY OF TREE-RING RESEARCH

presents a talk by

Pearce Paul Creasman, Peter Brewer, Greer Flax,
Chris Baisan

(Lab. of Tree-Ring Research, University of Arizona)

*Preparing your sample collections for archiving: Q&A
discussion about what you should be doing*

Wednesday, February 18, 2015 - 12:00pm to 1:00pm

Room: Bannister 110

Primarily an opportunity for question and answer, this forum will include a very brief refresher on the primary reasons for archiving specimens followed by review of procedures.
